

Registered Nurse Job Opportunities Primary Care Medical Homes

Job Opportunities

There are several exciting opportunities for professional growth and advancement for Nurses in LAC+USC Primary Care. Each position below involves respective educational and experience requirements. These include:

- [NURSE MANAGER](#)
- [ANDA](#)

Expanding and enhancing primary care at LAC+USC is one of our top campus priorities, as it is for the entire Department of Health Services. Primary care is the backbone of our care system. We are investing heavily in primary care to meet the needs of our patients in 2016 and beyond.

Nursing Position Overview

Our Adult Medicine Primary Care Clinics are seeking energetic, committed, talented, and team-oriented RNs who embrace change and believe they can help us transform care for our patients. In our care model, we recognize RNs as care managers, coordinators, educators and advocates for our patients and staff. Our RNs are leaders and you will be joining a fantastic team of physicians, nurses, and staff to help us in our journey of health care transformation.

Role and Responsibilities

Primary Care Nurses are critical to building and sustaining excellent Primary Care Medical Homes, as well as to the financial viability of this medical center and health system. Some of the key roles include:

- Direct patient care and education.
- Coordination of care within an interdisciplinary Primary Care team.
- Coordination of care between specialties, institutions, and levels of care.
- Population health management.
- Quality improvement.
- Team management and professional development.

Desirable Qualifications

Please see the individual requirements associated with each of the positions above. The following attributes are considered highly desirable:

- A minimum of one year of nursing experience, ideally in Primary Care.
- Skills and record of leadership, patient advocacy, and excellent customer service
- Motivation to improve and change systems for better patient care and experience

Interested Applicants Should Submit:

A letter of interest, resume, copy of your last two performance evaluations, and a copy of your time records for the past 24 months to: Office of Nursing Affairs 313 N. Figueroa Room 904, LA, CA 90012 or email: rochoa@dhs.lacounty.gov

Resumes will be accepted until the needs of the department are met. Candidates must currently be a permanent County of Los Angeles employee who holds the payroll title of Nurse Manager or Assistant Nursing Director, Administration to be considered for a lateral transfer or a reachable candidate on the DHS certification list to be considered as a new-hire.
